

Living Well with Dementia Network

In Jefferson County

Join us in creating a community that understands, supports and values people who are living with Alzheimer's and other forms of dementia. We are a network of individuals and organizations who are working together with people who have dementia to insure that their families, employers, caregivers, care providers and communities support them in living a full and meaningful life.

Want to learn more?

The Living Well with Dementia Network will meet regularly at the Fort Atkinson Hospital Conference room, the THIRD MONDAY of each month at 5:00 pm.
